#### Miscellaneous Information

Which language are you comfortable in teaching? Both (English and Hindi)

For assessment of teaching which mode would you prefer?

- Self-assessment
- Student feedback
- Peer review

How would you create an innovative learning environment? (max 100 words)

To create an innovative learning environment, consider the following key elements:

- Personalised Learning: Tailor instruction to individual student needs and preferences using technology, adaptive learning tools, and differentiated assignments.
- Collaborative Learning: Foster teamwork and peer-to-peer interaction through group projects, discussions, and online collaboration platforms.
- Problem-Based Learning: Present students with real-world problems and encourage them to research and develop solutions independently.
- Technology Integration: Utilize digital tools and resources to create interactive and engaging learning experiences.
- Continuous Assessment: Employ formative and summative assessments that provide timely feedback and support student growth.

Outline your most significant contribution towards research (in 100 words)

Developing innovative teaching methodologies that enhance student engagement and learning outcomes. Conducting groundbreaking research on educational policy or curriculum development. Making significant contributions to the field of educational technology or online learning. Mentoring and guiding the next generation of education researchers. Advocating for educational equity and social justice.

Outline your proposed roadmap for teaching and research for the next five years (in 100 words)

Foundations and Exploration• Teaching: Develop a strong foundation in core courses and begin exploring potential research areas within the field of Political Science and Rural Development. • Research: Identify potential research questions and conduct preliminary literature reviews. Establish connections with faculty members and other researchers in the field.

Research Implementation and Publication• Teaching: Continue to teach specialized courses and explore opportunities for independent study or thesis advising. • Research: Collect and analyze data. Prepare and submit research papers for publication in peer-reviewed journals. Present research findings at conferences.

Membership/Fellowship of Academies/Institutions/Professional Societies

Life-time Member of Paschimbanga Itihas Samsad

Present your vision for the University / Department for next five years

Over the next five years, our department will be a leading center for research, teaching, and community engagement in the fields of political science and rural development. We will foster a vibrant intellectual community that explores the complex interplay between politics, society, and rural development. Our faculty and students will contribute to cutting-edge research, develop innovative teaching methodologies, and actively engage with local communities to address pressing social and economic challenges. Through our work, we will promote social justice, sustainable development, and democratic governance in rural areas.

Other activities/responsibilities: (academic/administrative)

Bursar (28.09.2021-27.09.2023), Nodal Officer of Admission Committee, Vivekananda College and Coordinator of IGNOU and UGC sponsored Foundation Course on Human Rights, Mugberia Gangadhar Mahavidyalaya etc.

Any other relevant information, if not given above

Editorial Board Member in the International Research Journal of Human Resources and Social Sciences (IRJHRSS) and International Journal of Humanities & Social Science: Insights & Transformations
