

# ACTION TAKEN REPORT

Anti-Ragging Committee  
Vivekananda College, Madhyamgram  
Academic Session: 2026–27

In pursuance of the recommendations of the **31st Meeting of the Anti-Ragging Committee for Monitoring Measures to Prevent Ragging in Higher Educational Institutions**, held under the Chairmanship of Air Marshal (Dr.) Ajit S. Bhonsle, AVSM, VSM on **17 March 2026** at the UGC Head Office, New Delhi, the Anti-Ragging Committee of Vivekananda College, Madhyamgram undertook a series of preventive, awareness-oriented and monitoring activities to ensure a safe, inclusive and ragging-free campus. The Committee met immediately after receiving the UGC advisory and prepared an institutional action plan in conformity with the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions. The following actions were implemented:

## Reconstitution of Anti-Ragging Committee and Squad

The Anti-Ragging Committee and Anti-Ragging Squad were reconstituted with representation from the Principal, faculty members, non-teaching staff, student representatives, guardians and local stakeholders. The Committee reviewed institutional preparedness and assigned specific responsibilities to all members. A comprehensive Anti-Ragging Awareness Programme will be organized for newly admitted students during the induction programme. Students will be informed about:

- Definition and forms of ragging.
- Legal consequences of ragging.
- UGC Regulations and institutional disciplinary measures.
- Importance of maintaining dignity, mutual respect and inclusive campus culture.

Parents and guardians will also be sensitized regarding their role in preventing ragging.

## Submission of Anti-Ragging Undertakings

All newly admitted students and their parents/guardians will be instructed to submit mandatory Anti-Ragging Undertakings through the National Anti-Ragging Portal before completion of admission. The College will be maintaining proper records of compliance. Anti-ragging posters containing emergency contact numbers, Committee members' details, and the National Anti-Ragging Helpline are prominently displayed at:

- College entrance
- Academic departments
- Library
- Students' Common Room
- Notice Boards
- Administrative Office

## Awareness Campaign programme

**Library Display Board**

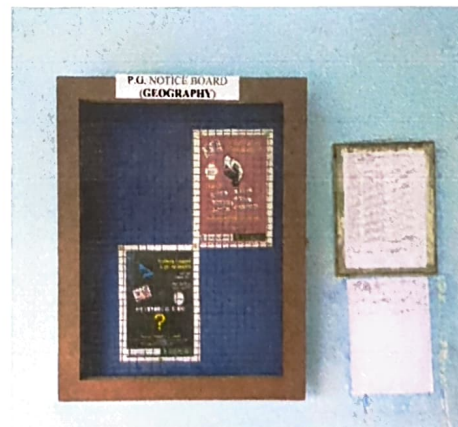

**Department of Geography**

Information regarding anti-ragging measures is also uploaded on the College website.

<https://www.vivekanandacollegemmg.edu.in/>

## Enhanced Monitoring and Vigilance

Regular surveillance was carried out in vulnerable locations including corridors, staircases, common rooms, canteen and campus entry points. Members of the Anti-Ragging Squad conducted surprise inspections during college hours. Faculty members were requested to remain vigilant before and after classes. A mentoring mechanism was strengthened wherein faculty mentors interacted regularly with first-year students to identify any academic, emotional or social concerns. Students were encouraged to report any form of intimidation without fear of retaliation. Counselling sessions promoting empathy, mutual respect and emotional well-being were organized to create a supportive campus environment. The College ensured easy access to grievance redressal by providing:

**Classroom Notice Board and Post Graduate Department**

- Complaint Drop Box
- Email-based complaint facility
- Direct reporting to Committee members
- Immediate confidential inquiry into any complaint received

Students were assured that their identity would remain confidential and that prompt action would be taken in every reported case.

## Collaboration with Stakeholders

Regular interaction was maintained among teachers, student representatives, administrative staff and guardians to strengthen vigilance. Departmental meetings emphasized zero tolerance towards ragging and encouraged collective responsibility in maintaining discipline. Anti-ragging messages, UGC advisories and student awareness materials were circulated through the College website, official Whats App groups and social media platforms. Students were reminded periodically about reporting mechanisms and institutional support services. The Anti-Ragging Committee periodically reviewed implementation of preventive measures and documented all activities conducted during the academic session. Compliance reports, attendance records, photographs of awareness programmes and copies of notices were preserved for institutional record and future inspection.

## Outcome

The implementation of these measures has significantly strengthened awareness regarding anti-ragging regulations among students and staff. Freshers expressed greater confidence in approaching teachers and mentors whenever required. No incident of ragging has been reported during the reporting period. The Anti-Ragging Committee reiterates its commitment to maintaining a safe, inclusive, respectful and learner-friendly environment where every student can pursue higher education without fear, intimidation or discrimination. The Committee shall continue to review its strategies periodically and implement all future directives issued by the University Grants Commission and the Government of India to uphold a zero-tolerance policy towards ragging.
