HISTORY OF THE COLLEGE

Vivekananda College, Madhyamgram was established in 1986. It is named Vivekananda College to pay our homage to Swami Vivekananda, the great patriot and social reformer, and eternal embodiment of the soul of India and a great inspiring force behind the making of modern India.

Our college is a co- educational day general degree college affiliated to the West Bengal State University. It is situated in a calm and quiet atmosphere and is far from markets, stations, cinema halls and other disturbing factors. At the same time it is within the locality where all modern amenities are available. It stands on the eastern side of the Jessore Road, National High Way No-34, about 1km from either Madhyamgram or Hridaypur railway station on Sealdah-Bongaon section. It is about 18 km away from Calcutta and is connected with the city, the capital of West Bengal both by bus routes and train services.

The college has now its own building (two storied) & women's hostel, canteen for student & staff surrounded by boundary walls. General courses in Arts and Honours courses in English, Bengali, History, Geography and Education are taught here besides, General courses in Science Stream, namely Mathematics, Physics, Chemistry, Computer Science, Geography and B.A. General Courses in Journalism and Mass Communication will be taught from this current academic session (2017-2018). Further, the College introduced the new regular M.Sc course in Geography from the session 2017-2018. But behind this achievement there is a history – a history of struggle, a history of dedication and sacrifice of some good souls of our locality.

Former Minister Sri Saral Deb became the First President of the Governing Body of the College. It was primarily due to

his active participation in formulation of Government policy in matters pertaining to higher education and wholehearted support extended by ministers like Sri Sambhu Ghosh and Sri Nirmal Bose that the college was finally established in 1986. However, after a period of 25 years Sri Rathin Ghosh, Chairman, of the Madhyamgram Municipality was unanimously elected President of the College Governing Body in January 2012. It is hoped that under the able leadership of Sri Ghosh the College will achieve holistic progress by dint of his administrative acumen and erudite

promptness in execution of all academic activities and development works.

Sri Ganga Sankar Chatterjee became the first Principal of the college. Dr. Chandan Kumar Chakraborty is the present principal of the college. He joined the college on 11th April 2002. Dr. Chakraborty has been taking interest for the development of the college. It is because of his endeavour that honours courses have been opened in the college. Construction work of the 1st floor and 2nd floor building and the construction work of the boundary walls of the college, separate students union rooms, cycle stand, women toilet, women's

hostel, water supply, canteen for student & staff, air conditioned library room, geography practical room, principal's room, teachers' room, office room, cooling water supply, smart class room, digital library system, projector machines, virtual class room & so on have all been done during his period. During the tenure of service of Dr. Chakraborty, Sri Satyasadhan Chakraborty, Honourable Minister-In-Charge of Higher Education visited the college and the Honourable Minister expressed his good wishes for the college.

Further, Dr. Partha Chatterjee, Hon'ble Minister-in-Charge of Higher

Education, Govt. of West Bengal inaugurated our 2nd Campus at Kirtipur, North 24 Parganas on 5th January 2016. In this regard, the Higher Education Department, Govt. of West Bengal sanctioned amounting to Rs.22 Lakhs for constructing the Boundary wall at 2nd campus, Kirtipur, North 24 Parganas.

In this connection it is to be noted that Sri Debabrata Biswas M.P sanctioned Rs 5 lakhs for construction of the new building of the college and Rs 8.33 lakhs for construction of the boundary walls of the college from M.P. LAD Fund. The Zilla Parishad, North 24 Paraganas has also sanctioned Rs 5 lakhs for construction of the 1st floor building (extension) Further Sri Debabrata Biswas has sanctioned Rs 10 lakhs for construction of new building.

Again U.G.C has sanctioned Rs. 70 lakhs for construction of the womens' hostel in the college campass. The construction of the building is completed. The U.G.C. team led by Prof. D. S. Rathore (Chairperson) has praised the initiative of the principal Dr. Chandan Kumar Chakroborty in this regard.

A representative team of The Director of Public Instruction, Department of Higher Education Government of West Bengal visited the college under the scheme "Performance-

Vivekananda College is going through the course of the First Cycle of Accreditation by the National Assessment and Accreditation Council (NAAC) and this is our Self Study Report (SSR) which has been prepared according to the guidelines of NAAC with honesty to the best of our knowledge. We encourage individual growth by promoting a free exchange of ideas in a setting that values diversity, trust and equality.

Vivekananda College MADHYAMGRAM is a thirty year old institution of higher learning formerly affiliated to the University of Calcutta since inception in 1986 and then subsequently to the West Bengal State University from 2008. The aim of the college is

to impart quality education taking into consideration the social, economic, political and administrative challenges. The story of the progress of the college is characterized by ruthless striving and sleepless determination to overcome all obstacles that reared their ugly hideous heads on its journey to excellence. The road was rough; the terrain tough but there was no dearth of zeal and enthusiasm. Everyone had a dream which was to make the college reach the heights of excellence, inclusiveness and sincerity in its service to the community.

Only students who were enrolled for the BA pass

course. The college, being adjacent to the Jessore Road and not far from the Madhyamgram Municipality seemed to be a boon for the inhabitants of the area as there was no college in the vicinity and gaining admission in elite colleges was indeed tough for students hailing from semi urban and rural background. The simple people of our locality needed an institution where they could send their wards to seek true education without the trammels of opulence weighing them down, a college where teaching was honest and above all bereft of the ostentation of arrogant arid scholarship. These men were poor but they had abundant reserves of determination, strength of mind and shared a singleness of purpose, qualities without which the foundations of such an enduring edifice might not have been possible.

***** VISION MISSION AND OBJECTIVES OF THE INSTITUTION

□ The name of 'Vivekananda College' is chosen to pay our homage to Swami Vivekananda, the great patriot and social reformer and eternal embodiment of the soul of India and a great inspiring force behind the making of modern India.
