NAAC Accredited Certificate

NAAC Inspection :

The autonomous council of University Grants Commission National Assessment and Accreditation Council (NAAC) visited our college for 1st cycle inspection on and from 26th September 2016 to 28th September 2016. The authority of NAAC awarded our College the A-Grade on and from 5th November 2016. This achievement, ie, receiving the 'A' Grade in the very first cycle of accreditation is indeed a rare recognition by NAAC.

Human Resource Development Ministry issued certificate regarding our college has been nominated as 'Social Media Champion'. It is a great achievement. Our Country recognised our college.

Principal's Desk

Vivekananda College Madhyamgram is a thirty year old institution of higher learning formerly affiliated to the University of Calcutta since inception in 1986 and then subsequently to the West Bengal State University from 2008 .The aim of the college is to impart quality education taking into consideration the social ,economic ,political and administrative challenges .The story of the progress of the college is characterized by ruthless striving and sleepless determination to overcome all obstacles that reared their ugly hideous heads on its journey to excellence. The road was rough; the terrain tough but there was no dearth of zeal and enthusiasm. Everyone had a dream which was to make the college reach the heights of excellence, inclusiveness and sincerity in its service to the community.

VISION:

The College has the vision of raising the Institution to a very high standard in respect of teaching, learning, results, administration and academic atmosphere in

the college campus, so that it becomes one of the premier institutions of the country.

MISSION:

The name of 'VIVEKANANDA COLLEGE' is chosen to pay our homage to Swami Vivekananda, the great Patriot and social reformer and eternal embodiment of the soul of India and a great inspiring force behind the making of modern India Swami Vivekananda who firmly believed that education was the manifestation of the perfection in man. Vivekananda college Madhyamgram borrows its inspiration from the golden thoughts of Swamijee who remains to this day the beacon light of our destiny, hopes,

aspirations. We have, in keeping with the strength and conviction of such time tested truths, set audacious goals.

SHORT PROFILE OF THE COLLEGE:

The college being adjacent to the Jessore Road and not far from the Madhyamgram Municipality seemed to be a boon for the inhabitants of the area as there was no college in the vicinity and gaining admission in elite colleges was indeed tough for students hailing from semi urban and rural background. The simple people of our locality needed an institution where they could send their wards to seek true education without the trammels of opulence weighing them down, a college where teaching was honest and above all bereft of the ostentation of arrogant scholarship. These men were poor but they had abundant reserves of determination, strength of mind and shared a singleness of purpose, qualities without which the foundations of such an enduring edifice might not have been possible. In 2002, Dr. Chandan Kumar Chakraborty joined the college as Principal and the narrative of the college after this period is one of hope, ambition and development. Within months of his assumption of office honours courses in Bengali, Education, Geography, History, English, Political Science, Philosophy, Journalism and Mass Communication, Physics, Computer Science and Mathematics etc, were introduced. Since 2002 the college has been definitely growing in stature. The layout of the present building with augmented spaces in the library, canteen, hostel for women, new classrooms, boundary wall along with completion of 2nd Campus Boundary wall, construction of the 2nd campus building, inauguration of Seminar cum conference room and cycle garage etc ushered in a new era in the college. The college now proudly boasts of having its own deep tube well, three Generators, Smart Class rooms, Virtual class room, 26 fire extinguishers, 32 CCTVs, 11,000 books at Library, bar-coded books, INFLIBNET and N-LIST Programmes for 1,00,000 lac e-books and 6000 e-journals, online career counselling system, Gymnasium for Students etc. The college has introduced regular P.G. courses M.Sc. in Geography from the academic session 2017-18 and also introduced P.G. courses M.A. in Bengali and M.A. in Education from the session 2019-20. This is in addition to Distance Education P.G. courses in Geography, Bengali, History, English, Pol. Science, Sanskrit from DDE, Vidyasagar University and in Bengali, History, Education & Geography from DDE, Rabindra Bharati University.

Very few colleges in the vicinity can boast of having 60 Computers, 5 Laptops, 27 A.C. Machines, three Projectors, one Total station, five cold drinking water Machines, Women's Hostel etc. With the active co-operation of the president of the Governing Body Shri Rathin Ghosh the college authority was able to purchase 3 bighas of Land for construction of the 2nd Campus building. The construction of 4-storied new building started in right earnest. The college has 8 Solar Lights

systems, Rain water Harvesting, Medicinal Plantation, Concrete Path way, a beautiful small play ground, a sprawling garden and a Computer Training Centre organized by Webel Technology Limited (A Govt. of West Bengal Undertaking). We have introduced Science stream at U.G level from the session 2017-18. The success rate of last five years (both Hons & General students) is above 93% and our students have always maintained a prestigious position in the university in successive years. Under the Principal's leadership, the students from minority community are much more interested to get admission in this College. This college is one of the few colleges with a large proportion of minority community students. The college boasts of 59% minority boys & female students most of whom have produced wonderful results at the undergraduate level and have also in some instances excelled in university examinations at the Post Graduate level. The active intervention of the college administration has ensured that minority students receive financial assistance from the UGC, Govt of West Bengal and also at the College level. Steps were taken towards the beautification of the campus, provisions for enabling students to reap the benefits of the digital era were made and new classrooms were constructed. As a direct corollary there was a marked increase

in student strength and there are SC/ ST and OBC A and B and Minority students on its rolls. Special classes are held and tutorial level guidance is provided for the academically deficient. There is also the provision of arranging stipends for all students irrespective of their backgrounds. There is the scheme of Remedial Coaching Classes and the Entry - in -Service Scheme has instilled confidence in students to explore the job market.

In conclusion, it should be mentioned that the Teaching faculties, Non-teaching Staff and also Students are actively involved to maintain the calm and quiet atmosphere in the College campus. Our institution was awarded by the NAAC (1st cycle) as 'A' Grade Institution on & from 5th November, 2016.

In its 24th annual survey of the best educational institutes of India, the magazine INDIA TODAY in its special issue dated 6th July, 2020 ranked our college at the 64th position in Arts and 57th position in

Science. Another milestone this year has been the ranking of our college - an enviable 6th position nationally among the emerging colleges of the century. Besides, our college has been ranked 1st among the institutions offering science subjects in Kolkata. This is another feather in the cap and no mean achievement coming close on the heels of the golden approval received by NAAC in 2016.

Outstanding Achievements

1. Our college was assessed and certified by OTABU Certification Pvt. Ltd. as meeting the requirements off **ISO 9002:2015** for the following scope of activities:

“Providing the graduation and post graduation courses”.

It may be noted that this is an international recognition provided by an internationally acclaimed standardizing agency.

2. Our college was selected under Unnat Bharat Abhiyan Programme of MHRD, Govt. of India. Under this scheme the college took under its tutelage the following villages in the vicinity:

Simulia, Kaipul, Krishnapur Madanpur, Khamarpara , Kirtipur, Bagband-Saiberia.

It is expected that with copious funds from the Govt. of India, the college will perform the onerous responsibility of catering to the needs of the villages adopted.

MY GOOD WISHES TO ALL.

DR. CHANDANKUMAR CHAKRABORTY

PRINCIPAL, VIVEKANANDA COLLEGE, MADHYAMGRAM

HISTORY OF THE COLLEGE

Vivekananda College, Madhyamgram was established in 1986. It is named Vivekananda College to pay our homage to Swami Vivekananda, the great patriot and social reformer, and eternal embodiment of the soul of India and a great inspiring force behind the making of modern India.

Our college is a co- educational day general degree college affiliated to the West Bengal State University. It is situated in a calm and quiet atmosphere and is far from markets, stations, cinema halls and other disturbing factors. At the same time it is within the locality where all modern amenities are available. It stands on the eastern side of the Jessore Road, National High Way No-34, about 1km from either Madhyamgram or Hridaypur railway station on Sealdah-Bongaon section. It is about 18 km away from Calcutta and is connected with the city, the capital of West Bengal both by bus routes and train services.

The college has now its own building (two storied, one-storied) & women's hostel, canteen for student & staff surrounded by boundary walls. Regular 3 P.G. Courses, 11 Honours and General courses are taught in the college. Honours courses are taught in English, Bengali, History, Philosophy, Political Science, Education, Journalism & Mass Communication, Physics, Mathematics, Geography and Computer Science. General courses in Arts and Science streams are also pursued. The subjects taught in the General course are English, Bengali, History, Philosophy, Political Science, Education, Journalism & Mass Communication, Physics, Chemistry, Mathematics, Geography and Computer Science. Behind this achievement there is a history – a history of struggle, a history of dedication and sacrifice of some good souls of our locality.

Former Minister Sri Saral Deb became the First President of the Governing Body of the College. It was primarily due to his active participation in formulation of

Government policy in matters pertaining to higher education and wholehearted support extended by ministers like Sri Sambhu Ghosh and Sri Nirmal Bose that the college was finally established in 1986. However, after a period at 25 years Sri Rathin Ghosh, Chairman, of the Madhyamgram Municipality was unanimously elected President of the College Governing Body in January 2012. It is hoped that under the able leadership of Sri Ghosh the College will achieve holistic progress by dint of his administrative acumen and erudite promptness in execution of all academic activities and development works.

Sri Ganga Sankar Chatterjee became the first Principal of the college. Dr. Chandan Kumar Chakraborty is the present principal of the college. He joined the college on 11th April 2002. Dr. Chakraborty has been taking interest for the development of the college. It is because of his endeavour that honours courses have been opened in the college. Construction work of the 1st floor and 2nd floor building and the construction work of the boundary walls of the college, separate students union rooms, cycle stand, women toilet, women's hostel, water supply, canteen for student & staff, air conditioned library room, geography practical room,

principal's room, teachers' room, office room, cooling water supply, smart class room, digital library system, projector machines, virtual class room & so on have all been done during his period. During the tenure of service of Dr. Chakraborty, Sri Satyasadhan Chakraborty, Honourable Minister-In-Charge of Higher Education visited the college and the Honourable Minister expressed his good wishes for the college.

Further, Dr. Partha Chatterjee, Hon'ble Minister-in-Charge of Higher Education, Govt. of West Bengal inaugurated our 2nd Campus at Kirtipur, North 24 Parganas on 5th January 2016.

In this regard, the Higher Education Department, Govt. of West Bengal sanctioned an amount of Rs.22 Lakhs for constructing the Boundary wall at 2nd campus, Kirtipur, North 24 Parganas.

In this connection it is to be noted that Sri Debabrata Biswas M.P sanctioned Rs 5 lakhs for construction of the new building of the college and Rs 8.33 lakhs for construction of the boundary walls of the college from M.P. LAD Fund. The Zilla Parishad, North 24 Paraganas has also sanctioned Rs 5 lakhs for construction of the 1st floor building (extension) Further Sri Debabrata Biswas has sanctioned Rs 10 lakhs for construction of new building.

Again U.G.C has sanctioned Rs. 70 lakhs for construction of the womens' hostel in the college campus. The construction of the building is completed. The U.G.C. team led by Prof. D. S. Rathore (Chairperson) has praised the initiative of the principal Dr. Chandan Kumar Chakroborty in this regard.

A representative team of The Director of Public Instruction, Department of Higher Education Government of West Bengal visited the college under the scheme "Performance-cum-Need based Incentive Scheme" in February 2012 and after witnessing the rapid progress of the college and impressed by the zeal and industry of all stake holders immediately sanctioned an amount of Rs. 9.5 lakhs for academic development of the college. Further, the Higher Education Department, Govt. Of West Bengal also sanctioned an amount of Rs. 43 lacs for constructing the 2nd floor for Seminar Hall, Class Room and Library Room. Further, the State Govt. also sanctioned an amount of Rs. 5 lacs for purchasing Books, Furniture and Equipments. Further, Higher Education Department, Govt. of West Bengal sanctioned amounting to Rs.3 Lakhs for arranging virtual class room. It was noted that this was possible due to the constant efforts of the principal in his regular interface and communication with the state government. Further, Higher Education Department sanctioned 22 lakhs for construction of boundary walls of 2nd Campus. The Boundary wall is completed.

It is a known fact that any educational institution becomes great and renowned by the qualities, attainments and character of its students, teachers and the non teaching staff and not by its buildings and the number of subjects taught. But it is believed that by the joint effort of the employees, the students and the G.B. the college will be able to develop constructive and nationalistic attitudes and positive values of life in the mind of the students of the college.

Further, accreditation by NAAC: The college initiated the process of under going assessment and accreditation by NAAC Peer Team by sending Self-Study Report on 30th December 2015 for 1st cycle & the NAAC Peer Team visited the college for assessment on and from 26th September 2016 to 28th September 2016 and highly appreciated various activities of the college in its academic quality,

administrative performance, well-e q u i p p e d infrastructure and support system pursuit. The Executive Committee of NAAC met on and awarded the college with 'A' Grade with GSPA of (3.01) on seven point scale on 5th November 2016 which is valid up to 4th November 2021. At present the college is preparing for the second cycle of NAAC visit.

National Service Scheme (NSS)

MEANING OF NSS:

The National Service Scheme (NSS) is an Indian government-sponsored public service program conducted by the Department of Youth Affairs and Sports of the Government of India. Popularly known as NSS, the scheme was launched in Gandhiji's Centenary year, 1969. Aimed at developing student's personality through community service, NSS is a voluntary association of young people in Colleges, Universities and at 10+2 level working for a campus-community linkage.

AIMS OF NSS:

The programme aims to inculcate social welfare in students, and to provide service to society without bias. NSS volunteers work to ensure that everyone who is needy gets help to enhance their standard of living and lead a life of dignity. In doing so, volunteers learn from people in villages how to lead a good life despite a scarcity of resources. It also provides help in natural and man-made disasters by providing food, clothing and first aid to the disaster victims.

NSS IN OUR COLLEGE:

Inspired by the dynamic leadership of the Principal of

the college and active work by the Programme Officer and NSS volunteers of our college, two kinds of activities were organized at our college [which adopted village Simulia] i.e Regular activity and Special activity. Some Regular activities are Environment related – Conservation of Natural Resources, Preservation of Old Monuments, Historical and Cultural Heritage, Health related – Personal Hygiene, Public Sanitation, Awareness in the Legal Education, small project like Socio-Economic Surveys, Disaster Management Club, Red Ribon Club, Action Groups, Food Club. Our NSS Unit arranged some events viz. tree plantation, blood donation camp, health check-up camp, meditation

camp, distribution of exercise book, pencil, eraser, sharpener etc among the poor students of the Simulia pre-primary school, hand wash programme, health checkup camp, road safety awareness programme etc.

Simulia village adopted by NSS, distribution of Study Materials among the poor primary schools students

LIBRARY AND LIBRARY RULES

The library of Vivekananda College has emerged to its prominence by introducing modern amenities for the students, teachers & scholars. It boasts of digitization, Wi-fi zone and Inflibnet & Bar coded system. Through Inflibnet users can get access to 1 lakh books and Six thousand Journals of its past ten years.

- ★ The library remains open daily on working days from 10am to 5pm. Books are issued on presentation of requisition slips on all working days except Saturday between 11am to 2pm.
- ★ Every student will be provided with a library card at the beginning of the session which will entitle him/her to take out books from the library. The card is not transferable and has to be returned within a fortnight before the student sits for his/her final examination, or when the students take transfer. In case of loss, a fresh card will be issued on payment of a fee of Rs 20/- (Twenty) only.
- ★ Only one book will be issued to a student at a time and can be retained by him/her upto 15 days. Re-issue is permissible provided the books are not needed by other students or not in short supply for the reading room. Reference books may not be taken out of the library reading room.
- ★ Books must be returned before or on the due dates, failing which a fine of Re 1/- will be charged for each book for each day of the default. If the fine accumulates up to Rs10/- or more, the students will not be allowed to take out any more books till the fine has been paid and the Library- official has granted him/her permission to use the Library.
- ★ If the book is lost it must be replaced or borrowers should pay the market price of the book.
- ★ The borrower shall have to check as to whether the book issued to him/her is littered, damaged or moth eaten at the time of issue. No complaint in this regard shall be considered thereafter.
- ★ Talking, sleeping, smoking and loitering within the library are strictly prohibited.

Inflibnet: Information and Library Network centre is an autonomous Inter-University Centre of the University Grants Commission of India. The institution is delighted to inform that the computerization and networking of the College Library has been undertaken under the INFLIBNET programme of the UGC. The library has its own local Network connected with a server with terminals inside the library. In addition, the college provides access to nearly 1,00,000 online books and 6,000 electronic journals of previous ten years to its users in the campus under the UGC-INFLIBNET

Career and Counselling

Career & Counseling Cell/Placement Cell in College

The College provides career & counseling/placement cell through online system for getting job. The scheme of establishing a career & counseling cell/placement cell in the College has been formulated to address the diverse socio-economic challenges and geographic background of the heterogeneous population of students coming to the Colleges vis-à-vis equity of access and placement opportunities through availability of appropriate institutional support information. Linguistic differences and cultural gaps among students also call for the setting up of placement cells. Availability of relevant and accessible information coupled with professional guidance towards students to utilize the same can result in better career achievement outside the class rooms and help in the healthy progression of students for getting job after completion of their courses.

Functions of Career & Counseling Cell/Placement Cell

- a) To gather information on job avenues and placements in different institutions and concerns related to the courses that the College offers through online system.
- b) To analyse information in the local, regional and national context to explore its relevance and utility for the students in their placements and on-job training.
- c) To organize Seminars and Guidance workshops for informing students about the emerging professional trends and events, job profiles, leadership rolls, entrepreneurship, market needs and risks and implementation of national socio-economic policies and to impart training in soft skills.
- d) To promote discipline, healthy outlook and positive attitude towards national integration and removal of narrow provincial preferences and prejudices.
- e) The college provides campus interview by various organization viz Government undertaking institutions and various corporate organizations.

Remedial Coaching for SC/ST/OBC(Non-creamy Layer) and Minorities

The College provides Remedial Coaching for SC/ST/OBC (Non-creamy layer) & Minority students of the College under the financial assistance of University Grants Commission. In order to enable students belonging to SC/ST/OBC (Non-creamy layer) and Minority communities who need remedial coaching to come up to the level necessary for pursuing higher studies efficiently and to reduce their failure and drop-out rate, the UGC will provide financial assistance for conducting special classes outside the regular time table during the 12th Plan. Students belonging to other backward classes and general candidates may also be allowed the benefit of such coaching classes. A nominal fee (not exceeding the monthly tuition fee) may be charged from the general candidates. However, physically challenged students and students who are general candidates coming from families with income below the poverty line (as guided by the state/UT/Central Government) will be exempted from paying the fee.

Coaching Classes for Entry in Services for SC/ST/OBC (Non-creamy Layer) and Minorities

The College provides Coaching Classes for Entry in services for SC/ST/OBC (Non-creamy layer) & Minorities students of the College. The well-being and development of the SC/ST/OBC (Non-creamy layer) & Minorities are important indicators of the strength and success of a democratic society. Specific provisions have been made to improve the status of these groups, socially and educationally, so that they can take their rightful place in society. Representation of the groups in all India/State and Provincial services and equivalent positions in the private sector is an indicator of how far the country has been successful to equip them so that they are in a position to safeguard their own interests.

In order to prepare students belonging to SC/ST/OBC (Non-creamy layer) and Minority communities to get gainful employment in central and other services mentioned above, the UGC will continue the scheme of Coaching classes for entry in services for SC/ST/OBC and Minorities during the 12th Five Year Plan. Applications may be sought by advertising in a local daily so as to cover students outside the college rolls. Coaching may be organized by dividing the candidates into groups of not more than 25 students.

Online Competitive Examination Training Centre

Facilities for digitalized career & counseling system are available at the college. Students will be able to avail online career & counselling system for appearing in competitive examinations. In this regard students will get MCQ questions and answers through online system for preparing themselves for appearing in various competitive examinations.
